## What is a Financial Services Guide (FSG)?

The purpose of this FSG is to provide you with key information about us and the services we can provide to you. It is designed to assist you in your decision on whether to use any of our services described here, including purchasing general insurance through us. This FSG contains important information about:

- How we are paid for the services;
- Any associations or relationships that could influence the services that we provide to you; and
- The dispute resolution procedures available to you and how you can access them.

You may also receive a Product Disclosure Statement and a Personal Advice Letter (PAL), Statement of Advice (SoA) or General Advice Letter (GAL). This is explained in Section A of this FSG.

## What other documents will we give you?

If we give you personal advice about a retail (ie personal) general insurance product it will be confirmed in writing (PAL), and will show details about fees and commissions we receive. If we only give you general advice, this will also be confirmed in writing (GAL).

For Personal Accident & Illness Insurance, the advice document will be called a Statement of Advice (SoA) and will set out the basis upon which the advice is given and details about fees and commissions paid to us.

If we recommend or arrange for you to purchase a general insurance product, you will be provided with either a product disclosure statement (PDS) or a policy document, depending on the product. The PDS or policy document describes the benefits and conditions for cover under the product. You should read the documents to ensure you know what is covered and what is excluded and ensure it meets your needs and you are aware of your obligations.

## SECTION A:

### RELATIONSHIPS & GENERAL INFORMATION ABOUT OUR SERVICES

We conduct a general insurance advisory business as authorised representatives, providing general insurance advisory and dealing services to our customers. These services are provided under the authority and on behalf of the AFS Licensees named on page 1.

#### Our relationship with AMPGID

AMPGID has an Australian Financial Services licence to provide advice and dealing services in relation to general insurance products.

AMPGID has an arrangement with GIO General Limited ("GIO") (ABN 22 002 861 583)(AFSL 229873) where:

- AMPGID distributes general insurance products issued by GIO (the insurer) and branded AMP. The products are distributed under AMPGID's licence by AMPGID's representatives. AMPGID receives payments from GIO under this arrangement as set out in this document, as well as an annual marketing payment to promote GIO products.
- AMPGID is given a binding authority to arrange for its representatives to issue general insurance policies on behalf of GIO (the insurer). This authority from GIO is referred to as a "binder" which means we are authorised to approve and accept an application for insurance issued by GIO within authority limits granted to us by GIO from time to time. In providing any services under the binder, we and AMPGID are acting on behalf of GIO, the insurer, and not on your behalf.
- AMPGID has no binding authority (underwriting authority) to arrange for its representatives to issue general insurance policies on behalf of or NTI Limited or CGU Insurance Limited

AMPGID has also entered into arrangements with other general insurance companies and underwriting agencies to make available travel insurance and certain wholesale general insurance products which GIO does not issue. We will only make recommendations on or deal in products which are on the Approved Product List, the majority of which are issued by GIO when acting on behalf of AMPGID. Commercial motor products are issued by NTI and farm insurance products are issued by CGU.

#### AMP branded commercial motor vehicle products issued by NTI Limited(NTI):

AMP has entered into an arrangement with NTI to provide AMP branded commercial motor vehicle products. These products are distributed under AMPGID's licence by AMPGID's representatives. AMPGID receives payments from NTI under this arrangement as set out in this document, which includes a marketing fee of 2.5% for business placed by us on an ongoing basis. These products are issued by NTI. NTI Limited (ABN 84 000 746 109) (AFSL 237246) is the manager for National Transport Insurance, an equal partner joint venture of CGU Insurance Limited (ABN 27 004 478 371) and Vero Insurance Limited (ABN 48 005 297 807).

#### AMP branded farm products issued by CGU Insurance Limited(CGU):

AMP has entered into an arrangement with CGU to provide AMP branded farm products. These products are distributed under AMPGID's licence by AMPGID's representatives. AMPGID receives payments from CGU under this arrangement as set out in this document, which includes a distribution allowance of 2% for business placed by us on an ongoing basis. These products are issued by CGU Insurance Limited (ABN 27 004 478 371) (AFSL 238291).

The commissions are calculated as a percentage of the base insurance premium of the relevant general insurance product (which excludes any government taxes or charges). It is not an extra charge to you.

The commission and distribution allowance that AMPGID receives depends on the type of insurance product that is sold and the amount of the premium. If we provide you with personal advice on a retail product, we will disclose to you the commission amount paid to AMPGID and the amount of the commission paid by AMPGID to us. We will do this at the time we give you advice or as soon as practicable after. If you don't receive personal advice on a retail product, we can tell you how much commission AMPGID receives if you ask.

For NTI and CGU issued policies we receive a percentage of the payment paid to AMPGID by NTI and CGU.

**Adviser Administration Fee**

In addition to the premium payable on the insurance product, we may charge an Adviser Administration Fee. The fee charged may vary depending on your circumstances.

If a fee is charged, it will be applied when you purchase the insurance product we recommend. We will tell you the actual amount of the fee before you purchase an insurance product. The fee may also be charged if we provide additional services to you or when you renew the insurance product. If the fee is charged when you renew your insurance, the amount payable (which may change) will be set out in the renewal notice. Depending on the circumstances, we may:

- reduce our commission (which may be nil) and charge the fee; or
- charge the fee in addition to receiving commission.

For AMP branded GIO products, GIO collects the fee on our behalf and passes the fee on to us. Alternatively we may invoice you directly for the fee. The fee is in addition to the premium payable on the insurance product.

If we charge a fee for AMP branded NTI and CGU products, we will invoice you directly.

If you cancel the insurance product, we may refund a portion of the fee, depending on the circumstances. AMP branded GIO insurance products, GIO is not responsible for refunding the fee despite GIO collecting the on our behalf

We may also receive other benefits from AMPGID or other licensees such as financial or marketing assistance.

GIO will make incentive payments to AMPGID if AMPGID meets or exceeds agreed targets based on growth in written premium and insurance trading results.

**Conferences**

Up to 20 general insurance advisers, their partners and 3 AMPGID employees are eligible to qualify for attendance at an international conference for up to 7 days held every 2nd year and sponsored by AMPGID. The conference value depends on the destination and level of accommodation chosen. Qualification is based on the growth of their portfolio of business, subject to their compliance with legislative requirements and underwriting guidelines and observance of AMPGID's professional standards and conditions at all times.

**Selling our general insurance practice**

If we leave the general insurance industry, AMPGID may agree to buy back our ongoing book of general business if we cannot otherwise sell it. The purchase price of the book of business is valued at a predetermined rate based on, amongst

other things, a multiple of the ongoing remuneration receivable by us on that book of business. In limited circumstances we may be permitted to sell part of our book of business under these terms.

Individual authorised representatives engaged by Advice Partners Pty Limited are salary employed and may also receive a bonus payment for meeting sales targets.

**SECTION C:****SERVICES AUTHORISED BY AFMIB**

*What financial services are we authorised to provide on behalf of AFMIB?*

We are authorised to advise and deal on behalf of AFMIB, in relation only to general insurance products, which have been approved by AFMIB.

**Commissions and Fees**

In most instances, AFMIB is paid a commission by the product issuer (underwriter) if you purchase or renew the general insurance products we recommend to you. We will receive

a proportion of this amount from AFMIB. We and AFMIB will not receive any commission where you do not buy the recommended product. The commission is linked directly to the price of the insurance that is sold to you and is calculated as a percentage of the base insurance premium of the relevant general insurance product (which excludes any government taxes and charges). It is not an extra charge to you. The total commission that both AFMIB and Advice Partners Pty Limited receives depends on the type of insurance product that is sold and the amount of the premium. If we provide you with personal advice on a retail product, you will be provided with a PAL or an SoA which will set out any remuneration and other benefits we may receive. We will do this at the time we give you advice or as soon as practicable after. If you don't receive personal advice on a retail product, you may request the details of the commission and we will provide this to you.

AFMIB and Advice Partners Pty Limited may charge a fee for service directly to you, or charge you an hourly rate. Note that we may be paid by any combination of fees for service, hourly rate and commissions.

AFMIB retains the interest on premiums paid by you that are held in their trust account before paying the insurer.

AFMIB is a member of IBNA. They have exclusive arrangements with some insurers where they receive between 0.5 – 1.5% commission on the premium placed by us with those insurers. These payments are used to operate IBNA.

Depending on the operating costs of IBNA (including the costs of member services provided to them and other shareholders) and the amount of total business AFMIB places with the participating insurers in any financial year, they may receive some of that commission at the end of each financial year.

As an IBNA member, they can access services including operating and compliance tools, advice and assistance from professional bodies, group insurance arrangements, product comparison and placement support, claims support and purchasing arrangements. These member services are either funded or subsidised by IBNA or available exclusively to members for a fee.

If you pay by credit card we may charge you a credit card (incl. arrangement & handling) fee, which is disclosed and shown separately on our invoices, they are non-refundable. This fee covers the cost of bank charges etc. associated with such facilities.

**Fees**

AFMIB also charge a Broker Fee, and, this charge may vary depending on the level of commission paid by the product issuer. Advice Partners Pty Limited may also charge a fee. You should read the PAL or SoA in conjunction with the explanation of the remuneration and other benefits we may receive.

In most cases, AFMIB and Advice Partners Pty Limited will also receive commissions and fees when selling the general insurance products other than retail.

A fee may also be payable for the prepared of a PAL or SoA in addition to any other fees or commissions that may be incurred.

**Other Benefits**

In addition to remuneration described above, we may also be entitled to non-monetary rewards or benefits eg tickets to sporting events, attendance at golf days, competition prizes which can include items such as gift vouchers, wine or dinners, each with a value unlikely to exceed \$300.

Individual authorised representatives engaged by Advice Partners Pty Limited are salary employed and may also receive a bonus payment for meeting sales targets.

**Back-Up Authorised Representative**—In the unlikely event of Gayleen Middleton being absent for an indefinite period, Ann Lines will be available and will provide the financial services described in this FSG. You will be advised if this is the case when you call for a financial service.

**General**

If you have any queries in relation to the above information or require any further information please don't hesitate to contact us or the relevant AFS Licensees.
